

## JESUS IS THE WAY

INTRO: John 14:6

1. Some Don't Believe this
2. Some don't pay much attention to this.
3. Is this the attitude we should have or is this important?

## WHAT IS THE APPLICATION TO US?

1. IF Once Saved Always saved is True of a Christian then several passages imply the opposite...?

This position holds to the idea that if they are unbelievers then they never became a Christians in the 1<sup>st</sup> place. IF this is true then why don't we see any passages in Hebrews warning the Jewish Christians to become Christians?

- b. Heb. 2:3 How can we neglect salvation if it is guaranteed?
- c. Hebrews 3:8 How can a Christian harden one heart in rebellion?
- d. Heb. 5:9 How can he be the Arthur or Eternal salvation to those who don't obey him?
- e. Hebrews 10:26 How is it possible if we sin willfully to lose Jesus sacrifice and still be saved?
